

Dear parents/carers of years 2-6,

At Edward Francis we use the Letter-join handwriting scheme. Any of our pupils wishing to practise their handwriting at home can log in to the Letter-join website on iPads and tablets as well as desktop and laptop computers. There you will find the same, easy-to-use handwriting resources as we use at school.

It is important to note that, following advice from various sources, we do not teach cursive writing before year 2. In years EYFS and 1, children should be focusing on letter formation which can be found [here](#).

If your child is in year 2, they will be beginning their cursive writing journey. They begin by learning how to write their letters using leading lines and then move on to joining. It is important to note that the way we teach handwriting will not necessarily be the same as other schools (see poster [here](#)). Letterjoin is a great resource to show the children how we join.
